Dear Parents/Carers,

We are nearly at the full return on 8th March.

I am updating the Risk Assessment and then I will share it with you. There are not many changes. Most of the staff and yourselves will still not have been vaccinated so all protocols will remain in place for the foreseeable future. Therefore, staggered starts/class bubbles/ masks on site/one way systems etc will all continue. **I will send a reminder of all of this next week.**

WORLD BOOK DAY – THURSDAY 4th March

There will be an **additional Zoom** on this day (at your usual time) with regards to **World Book Day** and the teachers will let you know on Google Classroom what will be happening. There is clearly no expectation to dress up this year but we will have a focus on favourite books and reading on this day.

Reading is the key skill to access the curriculum and is incredibly important. I know we all have a favourite book or poem or magazine we like to read so please talk to your children about it! Many thanks for your support and look out for the activities on Thursday.

As we continue in this season of Lent I have attached also a message from the Pope to support us in our journey this year.

Please keep all of our school family in your prayers as we cope with this pandemic and very sadly the illness and loss of our loved ones,

Sarah Yates
