Dear Parents and Carers,

We come to the end of another week.

I am aware of rising cases within our school community. This has not yet affected our classes but I am sure you are aware that it is happening elsewhere. **We can only do what we can.** Please continue to observe social distancing and wear masks. Please take your child for a test if they have any symptoms and please keep as safe as you can. Public Health also want me to urge you to get the vaccine at the walk-ins this weekend if you have not already.

The children are working so hard in school and I cannot believe that we are approaching the end of another school year. It has been a disrupted one but the children are a credit to you with their resilience and their efforts to keep going in class.

**SRE** – next week I will send out the individual year group letters to explain what will be being taught before we finish for the Summer.

**Reports** will be handed out on Wednesday 14<sup>th</sup> July.

**School is closed next Friday 2<sup>nd</sup> July for a Training Day.**

Have a lovely weekend – I do believe that the weather will be picking up and the sun will be shining.

Many thanks for your continued support

With prayers,

Sarah Yates
