

17th May 2024

Dear Parents/Carers,

PENTECOST is this Sunday and part of our celebration of the birthday of the church will be an **own clothes day** next Friday.

May the gift of the Holy Spirit be with us this weekend.

SATS Well done to Y6! The SAT tests are a formal examination (like GCSEs) so it is quite a week for them. They can now continue to work hard and enjoy the year. We are very proud of them.

Y4 will be attending the end of Prayer Relay mass on Friday 24th May at Saint Anthony's. We look forward to celebrating with the other Catholic Primary Schools. *They must come to school in school uniform on Friday and can get changed when they get back for the Pentecost celebration.*

SAFETY AT THE LAWTON MOOR ROAD GATE. The gate opens in the morning at **8.40am**. Young children should be with their parents (not at the front of the queue) as the gate will open slowly and everyone needs to be careful. **Please keep your little children with you** until the gate is fully open. **THE REGISTER IS TAKEN AT 8.45am** so all children should be ready to come through the gate at 8.40am to be **seated in class for 8.45am**.

DINNER MONEY. Please keep up to date as we do not want debts to accrue.

CHESTER ZOO the insurance form for the trip for Year 1-4 has been sent out today. Please return it to school. Many thanks.

With prayers for a lovely weekend,

Sarah Yates
Headteacher
