- All children must have suitable outer clothing at all times of the year. As they spend a lot of time outside experiencing variety of weather conditions, in accordance with the early years framework.
- Nursery and reception children do not require a PE kit but will require welly boots in a separate named bag. (to be left in school or brought everyday)
- Nursery child will require a separate bag with a change of clothes in, as young children of this age often have accidents. The children are engaged in messy play on a daily basis. Although we take every measure to protect clothing children will get wet or messy from time to time.
- Please ensure **all** your child's belongings are labelled.
